Dear Shareholder,

## Unmarketable Parcel Program

Potash West NL (Potash) is pleased to provide you with an opportunity to sell or increase your shareholding without incurring brokerage or handling costs. This program is open to Australian and New Zealand registered shareholders who at 5 pm (WST) on 2 August 2011 (Record Date) held fully-paid ordinary shares in Potash with a value of less than \$500 (Unmarketable Parcel).

Our records show that at the Record Date you held an Unmarketable Parcel of Potash shares and hence you are eligible to participate in this program. This program closes at 5 pm on 21 September 2011 (Closing Date).

The Program is being conducted to enable Potash to reduce the significant administrative cost of managing small shareholdings. It will enable investors with unmarketable holdings, who may find it difficult or expensive to dispose of those shares through normal means, to dispose of their holdings in a cost effective manner. Alternatively, the Top-up Facility provides an opportunity for shareholders to increase their shareholding in Potash above an unmarketable parcel without incurring brokerage or handling costs.

Information in this letter and in the enclosed documents will assist you in making one of three choices:

- Option 1) Sell your holding (Do nothing)
- Option 2) Increase your holding by buying either \$500, \$1000 or \$2000 worth of additional shares (Use Top-up Facility and make payment)
- Option 3) Retain your holding (Complete and return Share Retention Form).

You can only choose one option. You may elect to participate in the Unmarketable Parcel Sale Facility (option 1) or the Top-up Facility (option 2), or you may choose option 3 (retain your unmarketable parcel if you return the Share Retention Form).

### **Option 1) Sell your holding (DO NOTHING)**

If you do nothing, your Potash shares will be pooled with other Potash shares that are to be sold under the Facility and will be sold on ASX as soon as practicable after the Closing Date, and proceeds will be remitted to you as soon as practical and in any event no later than 17 October 2011.

If your shares are in a CHESS holding and are to be sold under the Unmarketable Parcel Sale Facility, you should note Potash may without further notice sell the relevant shares or initiate a holding adjustment to move those shares to an issuer sponsored holding for the purposes of the sale.

Potash will bear all brokerage and handling fees related to sales under this facility. The price that will be paid to shareholders for each share sold through the Unmarketable Parcel Sale Facility will be the average price received for the sale of all shares sold on ASX under the Unmarketable Parcel Sale Facility and hence may be more or less than the actual price that is received for your particular parcel of shares. This average price will be determined by dividing the total proceeds from the sale of all shares sold under this Program for all participating holders by the total number of shares sold under this Program. Sales will be conducted after the Application Period, namely on market from 21 September 2011 to 5 October 2011.

**Option 2) Increase your holding (USE TOP-UP FACILITY AND MAKE PAYMENT)**

If you wish to acquire additional Potash shares without incurring brokerage or handling costs, the Top-up Facility enables you to purchase either \$500, \$1000 or \$2000 worth of additional shares (Top-Up Facility Application Form is attached). Please refer to the Top Up Facility Conditions below and the enclosed Top-Up Facility Application Form.

Payment must be made by:

- Paying the relevant amount directly via BPAY® on the internet or by telephone; or
- Completing and returning the slip which is part of the enclosed Top-up Facility Application Form, together with your cheque, bank draft or money order drawn on an Australian Bank for the relevant amount in Australian dollars,

by no later than 21 September 2011.

After receiving your Top-up Facility Application Form slip and associated payment, your money will be pooled with money paid by other Potash shareholders to purchase shares under the Top-up Facility and will be used to purchase Potash shares on ASX. Potash shares may be purchased by a single trade or multiple trades at a single price or at multiple prices and on a single day or multiple days after the Closing Date.

Potash will bear all brokerage and handling fees related to purchases under this facility. The price that will be paid by shareholders for each share purchased through the Top-up Facility will be the average price paid for all shares purchased on ASX under the Top-up Facility, rounded down to the nearest whole number (even if the individual prices paid for particular purchases is more or less than this average price). The market price of Potash shares is subject to change from time to time, accordingly, the number of shares purchased for you will depend on a number of factors.

The applicable number of Potash shares to which you are entitled will be allocated to your holding as soon as practicable after the shares are acquired and in any event no later than 17 October 2011.

You cannot participate in both the Top-up Facility and the Sale Facility.

**3) Retain your holding (COMPLETE AND RETURN SHARE RETENTION FORM)**

If you wish to retain your existing unmarketable parcel of Potash shares you must:

- complete the Share Retention Form with Section B marked with a cross and return the signed Share Retention Form in the enclosed envelope so that it is received by Advanced Share Registry by 21 September 2011;

**Important Notice**

Potash does not make any recommendation or provide any advice regarding whether to retain your shares, acquire additional shares under the Top-up Facility or permit them to be sold under the Unmarketable Parcel Sale Facility. You should consider seeking independent financial and taxation advice before making a decision as to whether or not to participate in this program.

You can obtain up-to-date information on the market price of Potash shares by visiting ASX website ([asx.com.au](http://asx.com.au)) or contacting your financial adviser.

If you have any questions regarding how the Unmarketable Parcel Sale Facility or the Top-up Facility works please contact either Potash's nominated broker (Patersons Securities Limited tel + 61 8 9263 1111 or the Potash Share Registry Call Centre +61 8 9389 8033.

Yours sincerely,

- (b) A Participating Shareholder participates in the Top-Up Facility on the basis of the Facility Documents. Participation is also on the basis that a Participating Shareholder may only elect to purchase, at the election of the Participating Shareholder, either \$500, \$1000 or \$2000 worth of Shares under the Top Up Facility.

- (c) A Participating Shareholder will not be liable to pay any brokerage or handling costs for the purchase of Shares under the Top-Up Facility.

### **3. Application Period**

Applications to participate in the Top-Up Facility must be received during the Application Period. Potash West reserves the right, on behalf of the Broker and for any reason, to modify the timetable for, to not proceed with, or to terminate or suspend (for any period of time), the Top-Up Facility at its discretion. Any extension or shortening of the Application Period, or suspension or termination of the Top-Up Facility, will be announced to the ASX and on its website (see [www.potashwest.com.au](http://www.potashwest.com.au)).

### **4. Roles of Advanced Share Registry and the Broker**

- (a) Each Participating Shareholder irrevocably appoints the Broker as execution-only broker to purchase Shares on behalf of the Participating Shareholder in accordance with the Facility Documents. Instructions from Participating Shareholders will be taken to be provided to the Broker at the time that Advanced Share Registry advises the Broker of the dollar amount available to purchase Shares in accordance with clause 6(b). Potash West will pay brokerage (and any applicable Australian GST) to the Broker in relation to the purchase of Shares through the Top-Up Facility.
- (b) The Broker's appointment as 'execution-only' broker means that the Broker is not, nor are Potash West or Advanced Share Registry, giving, nor are any of them obliged to give, any advice to any Eligible Shareholder. The Facility Documents do not constitute advice or a recommendation by any of the above to buy, sell or hold securities in Potash West, nor that the Top-Up Facility or any other facility is the best way to buy shares. Accordingly, before electing to participate in the Top-Up Facility, a Participating Shareholder should ensure that the Top-Up Facility meets the Participating Shareholder's own objectives, financial situation and needs. Any Eligible Shareholder unsure of what action to take should consult a licensed financial advisor.
- (c) Advanced Share Registry will assist in the administration of the Top-Up Facility, including by processing Top-Up Application Slips received by it, communicating with Eligible Shareholders, collating and advising the Broker of Shares to be purchased under the Top-Up Facility and liaising with the Broker in relation to purchases of Shares, banking cheques, bank drafts and money orders, and issuing transaction confirmation statements. Potash West will pay any handling fees (and any applicable Australian GST) to Advanced Share Registry in respect of its role in the Top-Up Facility.
- (d) Each of the Broker and Potash West is irrevocably authorised by each Participating Shareholder to do all things and execute all documents (including to effect any holding adjustment, securities transformation or other transmission or transaction in relation to Shares purchased for a Participating Shareholder under the Top-Up Facility, and whether personally or, where practicable, through an agent) to facilitate the purchase of the relevant Shares by the Broker as broker under the Top-Up Facility.

## 5. Top-Up Facility Application Form

- (a) An Eligible Shareholder may participate in the Top-Up Facility by means of a BPAY® payment in accordance with the instructions set out in the Top-Up Facility Application Form by 5.00pm Perth time) on the last day of the Application Period. If you are making a payment by BPAY® you do not need to return the Top-Up Facility Application Form. Alternatively, an Eligible Shareholder may participate in the Top-Up Facility by completing the Top-Up Application Slip in accordance with the instructions on it and returning it to Advanced Share Registry at an address shown on the Top-Up Facility Application Form, together with a cheque, bank draft or money order for either \$500, \$1000 or \$2000 (as applicable). The applicable sum made payable to "Potash West NL". Top-Up Application Slips and cheques, bank draft or money order must be received by Advanced Share Registry at an address specified in the Top-Up Application Form by no later than 5.00pm (Perth time) on the last day of the Application Period. No interest will be payable to Participating Shareholders in relation to funds contributed by them in relation to the Top-Up Facility.
- (b) Potash West may, in its sole discretion, at any time determine that a Top-Up Application Slip is valid in accordance with the Facility Documents, even if the Top-Up Application Slip is incomplete, contains errors or is otherwise defective or is received after the end of the Application Period. Potash West (or any agent of Potash West acting on its instructions) may correct any error in or omission from a Top-Up Application Slip and complete the Top-Up Application Slip by the insertion of any missing details. Notwithstanding anything to the contrary in these terms and conditions, none of Potash West, Advanced Share Registry or the Broker is under any obligation to accept any Top-Up Application Slip, whether completed correctly or not, and in particular none of the above is under any obligation to act on any Top-Up Application Slip where a BPAY® payment, cheque, bank draft or money order for the amount nominated in the Top-Up Application Slip has not been provided by the Eligible Shareholder, or is not denominated in Australian dollars and drawn on an Australian bank or an Australian branch of a foreign bank, or is not honoured on presentation.

## 6. Purchases of Shares

- (a) Advanced Share Registry will establish and maintain an account called "Potash West NL Top Up Facility" for the purposes of the Top-Up Facility, into which Advanced will deposit cheques, bank drafts or money orders received from Participating Shareholders and from which Participating Shareholders will be taken to instruct Advanced to remit the required amounts to the Broker for the settlement of purchases of Shares under the Top-Up Facility.
- (b) Advanced Share Registry will process Top-Up Application Slips and BPAY® payments received by it as soon as practicable after receipt. Following the conclusion of the Application Period, Advanced will advise the Broker of the dollar amount available to purchase Shares and the Broker will purchase Shares to that dollar amount.
- (c) Purchases of Shares under the Top-Up Facility will be made by the Broker placing one or more orders to buy Shares on ASX in the ordinary course of business (including, in the Broker's sole discretion, by crossings). The Shares may be purchased by a single trade or multiple trades at a single price or multiple prices. The shares may be purchased on a single day or multiple days after the Application Period.
- (d) The Broker may, in consultation with Potash West, delay the purchase of some or all of the Shares available to be purchased on a trading day, if it considers that to be in the best interests of the relevant Participating Shareholders (for example, because it considers market conditions to be unsuitable or to avoid an excessive concentration of purchases on a particular trading day).

- (e) The price at which each Share will be purchased for Participating Shareholders through the Top-Up Facility will be the average price achieved by the Broker for the purchase of all Shares purchased by the Broker through the Top-Up Facility. The Top-Up Price will be calculated by the Broker and may not be challenged in the absence of manifest error.
- (f) Participating Shareholders should note that they will not have control over the time of the purchase of their Shares, and therefore will not be able to personally ensure that the purchase occurs at a certain price. The Top-Up Price will depend upon the market conditions prevailing at the time of the purchase and may be different to the price for Shares appearing in the newspaper or quoted by ASX on the day that a Participating Shareholder's Top-Up Application Slip is sent or BPAY® payment is made or on any other day, and may not be the best execution price on the trading day or trading days that the Participating Shareholder's Shares are purchased. None of Potash West, Advanced Share Registry, the Broker nor any other person will on any account be liable, and a Participating Shareholder may not bring any claim or action against them, for not having purchased Shares at any specific price or on any specific date.
- (g) The number of Shares purchased for a Participating Shareholder through the Top-Up Facility will be calculated on the basis of the relevant payment (either \$500, \$1000 or \$2000 as applicable) divided by the Top-Up Price, rounded down to the nearest whole number of Shares. Participating Shareholders will not have any entitlement to any residual Shares remaining following such rounding. Potash West will be entitled to sell any such residual Shares and apply any proceeds towards the costs of administering the Top-Up Facility. If, after execution of all Participating Shareholders purchase orders under the Top-Up Facility, any amount remains of the amount provided by the Participating Shareholders for the purposes of the Top-Up Facility which was insufficient to purchase a Share, then Potash West may apply that amount towards costs of administering the Top-Up Facility.

## **7. Confirmation**

Advanced Share Registry will notify each Participating Shareholder, by way of a transaction confirmation statement issued on behalf of the Broker and sent to the relevant Participating Shareholder's address as shown on the Potash West share register, of the number of Shares purchased for that Participating Shareholder through the Top-Up Facility and the Top-Up Price for those Shares, within 10 business days after settlement of the sale of the Shares for the Participating Shareholders.

## **8. Shareholder Warranties and Acknowledgments**

By signing and returning the Top-Up Application Slip or making a BPAY® payment, a Participating Shareholder will, or will be deemed to:

- (a) acknowledge that the Participating Shareholder has read, and agrees to, the terms and conditions of the Facility Documents;
- (b) acknowledge that the Participating Shareholder is irrevocably bound to purchase the relevant amount of Shares through the Top-Up Facility at the Top-Up Price, and otherwise in accordance with the Facility Documents;
- (c) acknowledge that the Participating Shareholder will not participate in the unmarketable parcel share sale facility (which will have been made available to Eligible Shareholders in conjunction with the Top-Up Facility) and has not previously participated in the Top-Up Facility;
- (d) acknowledge that none of Potash West, Advanced Share Registry, the Broker nor any other party involved in the Top-Up Facility has any liability to the Participating Shareholder other than for the provision of the Shares purchased for the Participating Shareholder in accordance with these terms and conditions;

- (e) acknowledge that none of Potash West, Advanced Share Registry, the Broker nor any other party involved in the Top-Up Facility has provided the Participating Shareholder with any investment advice or made any securities recommendations, nor has any obligation to provide such advice or make any such recommendations, concerning the Participating Shareholder's decision to purchase Shares, and that the Participating Shareholder has made its own decision to purchase Shares through the Top-Up Facility based on its consideration of its own objectives, financial situation and needs and its own investigations of the affairs of Potash West and its own analysis of the Facility Documents;
- (f) acknowledge that if the Participating Shareholder's cheque, bank draft or money order is not honoured on presentation, Advanced Share Registry or the Broker may place a holding lock (or similar) on, and cause to be sold, any Shares purchased for the Participating Shareholder through the Top-Up Facility and the Participating Shareholder must pay all costs and losses incurred as a result;
- (g) appoint Potash West as the Participating Shareholder's agent to receive any notice (including a Financial Services Guide and any update of that document) that anyone involved in the Top-Up Facility is required to provide under the Corporations Act 2001 (Cth). Any such document will be made available on the Potash West website ([www.potashwest.com.au](http://www.potashwest.com.au)); and
- (h) acknowledge that the Facility Documents are governed by the laws in force in West Australia and the terms of ASIC Class Order 08/10. Personal information may be collected on the Top-Up Application Slip by Potash West and/or Advanced Share Registry for the purpose of the administration of, and the purchase of Shares under, the Top-Up Facility. That information may be disclosed by each company to each other, to each company's respective related bodies corporate, to external service companies such as mail service providers or as otherwise required or permitted by law.
