ASX/Media Release

BPAY arrangements for share purchase

Potash West NL (The Company) is implementing a programme to allow small shareholders to buy or sell shares. The details of the scheme were advised to the market on 8 August 2011.

We have been informed that the BPAY arrangements provided to some affected shareholders were incorrect. A letter from our share registry is attached. The letter has been sent to all shareholders who have not responded to the letter sent on 8 August.

We regret the confusion this may have caused some shareholders and advise there is still ample time to respond before the offer closes on 21 September 2011.

Yours Sincerely

Patrick McManus
Managing Director
